**Form 990, Part I, Line 1, Organization's Mission:**  
The Open Contracting Partnership is an independent non-profit public charity 501(c)(3) working in over 50 countries.

We are a silo-busting collaboration across governments, businesses, civil society, and technologists to open up and transform government contracting worldwide. Bringing open data and open government together, we make sure public money is spent openly, fairly and effectively on public contracts, the single biggest item of spending by most governments. They are a government's number one corruption risk and they are vital to make sure citizens get the services that they deserve.

Through open contracting, we drive massively improved value for money, public integrity and service delivery by shifting public contracting from closed processes and masses of paperwork to digital services that are fair, efficient and 'open-by-design'.

We support reformers from government, business and civil society to make reforms stick, help their innovations jump scale, and foster a culture of openness around the policies, teams, tools, data, and results needed to deliver impact.

We aren't after a bit more transparency: we want a transformational shift in how business is done. We want to bridge fundamental gaps in data creation, disclosure and use.

A modern economy needs a smart, data-driven government contracting ecosystem. Our mission is to bring governments, businesses, citizens and open data together to build one.

**Form 990, Part III, Line 4d, Other Program Services:**  
**Community Building & Research:** Our global community of engaged and empowered partners in public procurement is at the heart of our operations. We bring them together and support them to connect and exchange ideas, and continuously produce resources based on best practice, research, and our experience working across sectors and locations.  
Expenses \$ 539,394. including grants of \$ 0. Revenue \$ 63,265.

**Form 990, Part VI, Section B, line 11b:**  
The Form 990 is reviewed by the Board's Executive Committee and senior management before being sent to all governing Board members for comment, after which it is filed with the IRS.

**Form 990, Part VI, Section B, Line 12c:**  
At the beginning of each Board meeting, each Board member attests that he or she does not have a conflict of interest. If a conflict of interest does exist, it is documented. Employees review and sign a conflict of interest form annually.
